

# Money is Spiritual. Government is God's Idea. The Church is Culturally Challenged.

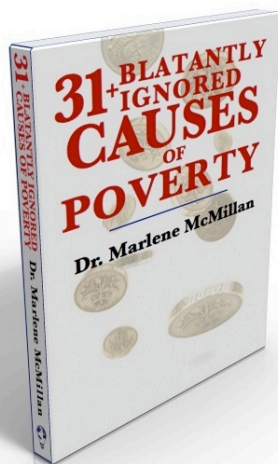

Find out what "America's Expert on the Principles of Liberty" has to say about money, greed, God and the future.

## STORY IDEAS

- **It's the Church's Fault:** Why the current economic crisis is the Church's fault and how the Church needs to be part of the solution.
- **Does God want people to be poor?** Jesus said, "The poor you will have with you always." Did He want it that way?
- **Is one form of government more Christian than another?** Why should Christians care about government? Isn't it a worldly pursuit?
- **Can you be a Capitalist and a Christian at the same time?** What is Capitalism and what does the Bible have to say about national economies as well as personal finances?
- **Law vs. Grace:** Is teaching that we are "free in Christ" and "under grace not law" teaching Christians to be lawless instead of law abiding?
- **Would Jesus have been a Capitalist?** Is Capitalism Sin or Savior? Learn about the 31+ Blatantly Ignored Causes of Poverty. Practical solutions for you and the world.

*Guest Marlene McMillan is a master at making complicated subjects easily understood, personally applicable and entertaining in the process. Passionate about liberty and enthusiastic about the power of ideas, she engages listeners and makes thinking exciting. Mother of 7, author, speaker, earned doctorate (D. Min) with emphasis in Church and State Relations.*
